

"There are always three speeches, for every one you actually gave. The one you practiced, the one you gave, and the one you wish you gave."

(Sic) Dale Carnegie

Silvercube Presentation Skills

Your staff will:

Discover proven methods to add maximum impact to their presentations. Working with a Silvercube Presentation Coach they are guaranteed to experience an enjoyable and challenging day.

Benefits:

You will increase the effectiveness of your team through improved confidence and strong personal impact. Working with a Silvercube Presentation Coach will improve assertiveness, communication and influencing skills through body language and voice.

When to Use Silvercube Presentations Skills:

When you have staff that are required to present information in an engaging and impactful manner.

When you have staff that are nervous about presenting and not fulfilling their potential.

When you have an important presentation or conference approaching and you need 'buy-in' from stakeholders and members.

How we do it:

Silvercube will tailor the course to your needs, working with you on a specific project. We help you to discover and enhance your own natural presenting style. Using proven methods from the world of theatre and film your staff will be directed to give their best performance.

Your staff will learn:

- The secrets of great presenters
- How to structure a successful presentation
- How to be confident, relaxed and in control when presenting
- The techniques of presence and pause
- The presenters role as a storyteller
- How to harness the potential of voice and body

The Value:

Delivering a strong presentation is a powerful method to get your message across. Being able to inspire and influence your audience and co-workers will increase their productivity and help you to get the best results.
