"Silvercube listens to our needs and delivers professional and engaging work. They see the opportunity to inject the learning with fun and humour. We feel Silvercube gives us the edge when developing our people. "

Mary Tobin: Repairs Contact Centre Manager: Camden Council

When to use Sketches & Forum:

- When putting large numbers of delegates through a training day. Eg. Customer Care: 40 delegates in the morning and 40 in the afternoon.
- When starting a new training initiative Eg. Aligning your staff to the organization's mission statement and values.
- As a headline training opening to entertain and convey key messages of the course. This can then be followed by simulations in smaller groups.
- When training between 20-100 delegates.

How do we do it?

- You tell us how your organization works and what you would like to dramatize.
- You tell us the words you would like to use and the level of humour you want.
- We script the piece of theatre. You give client approval.
- We cast and rehearse the piece ready for performance.
- We perform and facilitate the sessions giving you maximum impact and engagement.
